Terms & Conditions:

- All charges are exclusive of GST as applicable.
- For accounts that do not maintain the stipulated Average Monthly Balance (AMB) for a given month, charges and free transaction limits applicable to the base product (Blue Current Account) will apply to all transactions in the succeeding month. Similarly, for quarterly and annual charges, if the customer fails to maintain the stipulated AMB during the respective charging period, charges applicable to the base variant will be levied for that period.
- No charges for cheque/ECS/NACH return due to technical/systemic reasons.
- Bank reserves the right to modify/discontinue any of the complimentary offers at its sole discretion based on change in product propositions and on the contractual terms & conditions with its channel partners and vendors.
- Complementary insurance (if any) offered by the debit card (as per their terms & conditions) shall be based on the card variant and not as per the CA/SA product. Default card variant is to be selected for getting the value-added features of the account/card variant. Renewal debit card will be the default card variant as applicable for a CA/SA product.
- Certain debit card variants and Savings/Current Account products are applicable for certain customer segments only.
- Locker: Discount on locker rent will be determined by the linked locker rent recovery 'Current/Savings account product'. Discount is allowed only for one locker per account (If a customer has multiple lockers linked to the same account, the discount will apply to only one locker. Locker rent will be collected upfront (in advance) for the applicable period.
- Retail Net & Mobile Banking:
 - Omnichannel concept ie, the maximum permissible transaction limit will be the combined cap for both Net Banking and Mobile Banking. Example: If the max allowed is Rs10 lakh, then the sum of limits across both channels cannot exceed Rs10 lakh.
 - Option available for customers to set their own transaction limits within the overall permissible limit.
 - For customers having multiple CA/SA products under the same Customer/User Id., then the applicable limit will be based on the product with the highest permissible limit among those accounts.
